

How to upload your presentation online:

Important information

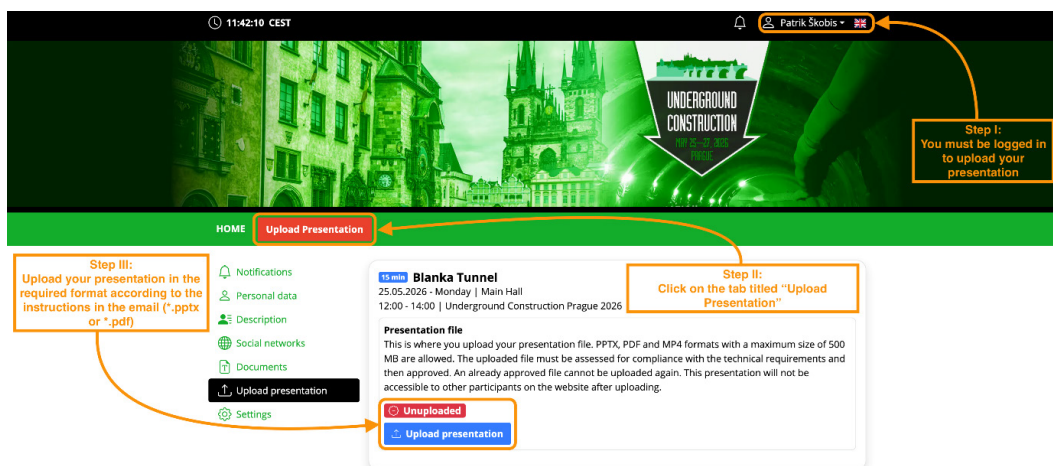

- Visit the congress platform, which is available [HERE](#).
- Log in to the platform using the same email you used to submit your abstract/full paper (or registration for the congress, if you sent your paper by email).
- Upload your presentation.
- The web platform for uploading presentations will be activated, and you can **upload your presentations from 11 May 2026**.
- For clear identification, name your presentation (uploaded file) with your surname and the first word of the title of your paper („AuthorTitle.pptx”).

Logging into the platform

- In the top right corner, select “Login”.
- Log in using your email and password. Use **the same email address you used when submitting your abstract/full paper** (or when registering for the congress, if you sent your abstract by email).
- After entering your email address, you will receive a password by email, which you will use to complete the login.

Uploading a presentation to the platform

- You upload your presentation directly to the platform.
- After logging in, go to the “**Personal page**”, which you will find in the top right corner under your name.

- To upload your presentation, click “**Upload presentation**”.
- Select the file with your presentation from your computer and upload it.
- The presentation size must be a maximum of **500 MB**.
- Supported file types are PPTX, PDF, and MP4 video.
- In case of difficulties, contact technical support at the email address p.skobis@aimgroup.eu.
- After uploading the presentation to the platform, your presentation will be checked.
- In sufficient advance, confirm in the **SPEAKERS READY ROOM** that your presentation has been uploaded correctly.
